CamServer®

Cambro's CamServers® solve your beverage service problems. When you add heat to brewed coffee, you sacrifice the freshly brewed flavor. CamServer® holds serving temperatures for hours without adding heat.

- Attractive design is perfect for your front-of-the-house beverage service
- Available in two convenient sizes, 3 and 5 gallon and four popular colors, Black, Dark Taupe and Granite Gray

NSF	CSR3	3 gal.	23½" h. x 13¼" w. x 18¼" l.
	CSR5	5 gal.	28" h. x 13¼" w. x 18¼" l.

Ultra Camtainers®

- Nylon over-center latch design, foamed-in-place polyurethane insulation, and air-tight gaskets provide maximum temperature retention
- Sta-stack interlock allows stacking with original Camtainers (sold below)
- Available in 10 colors

UC250	2½ gal. capacity
UC500	5 gal. capacity
UC1000	10 gal. capacity

Camtainer® Insulated Containers

You are remembered by the coffee you serve so don't take a chance with an imitation. The first and still the best. Cambro's Camtainers consistently make you look good because your coffee is hot and has that fresh-brewed flavor.

- One-piece polyethylene outer shell combined with thick foam core insulates against heat loss for hours
- Molded-in mounting plates prevent latches from pulling out
- Drip proof recessed spigots allow for clean, easy access
- Containers are available in 10 different colors for color coding and include a self adhesive beverage label set
